

Parent Permission For Use of Pictures

B*E*S*T has sponsored electric car projects for 4th, 5th, and 6th grade students in the Twin Cities area for many years. We have put pictures of car building and racing on our web site at **www.BestOutreach.com**; feel free to browse.

B*E*S*T would like to have your permission to include your student in pictures of this year's electric car activities. The web site will not identify any child by their name; neither first nor last name will be used. The only identification might be the name of the school, for example, a picture caption might say "Westlake Middle School wins the Slalom Race". The names of the teachers who are participating at each school and the grade that they teach are also available elsewhere on the Web site. We also agree that this permission applies only to pictures taken of your student while participating in B*E*S*T electric car project activities and taken during the school year (September to June) that includes the date you provide below.

If you agree to provide this permission then please fill in your students name, sign and date, and have your student return this form to his/her teacher. If you do not want your student to appear in any of the pictures, then simply do not return this form. And, if you have any questions or concerns, please contact Paul Patton 763-954-4764

I agree that B*E*S*T may include pictures of _____
on the web site at **www.BestOutreach.com** student name

signature of parent or guardian

date
